

Notes from Bike/Hike Meeting

January 18, 2011

Present: Lynn Goldman, Chairperson, Tom Kelso, Andy Hamilton, Rick Colello and Stephanie Mason.

Destination Peace Valley Ms. Mason indicated that Chris Stanford is working on wrapping up and finalizing the plan, once it has been received it will be distributed to all the municipalities.

Community Art No update

Pebble Hill Road Mr. Kelso is to check with Penn Dot and speak to Dawn Kneysky to discuss the addition of paving 2' along the side of the road. Mr. Hamilton suggested that we check with Dave Johnson of the County Planning Commission and obtain a copy of the list of maintenance projects. The County is to share the list with the Bucks County Bike Taskforce.

Cycling Education and Safety Set up for the Spring – The Kids Bike Derby / Bike Safety class on June 18, 2011 rain or shine, ages 3 – 12, parent/guardian required, location is the Activity Center Parking Lot, the cost is Free, time 10am – 12 Noon.

New Business

Grants Mr. Hamilton indicated that he believes the DVRPC may be coming out with a grant this February, for additional trails, it was discussed that Peace Valley Trail construction should be the goal of the Committee to make that application.

202 / Doylestown to New Hope The Bucks County Planning Commission and the Bucks County Bike Taskforce are working on this item. There was some discussion as to whether or not there would be adequate access. There may be problems in accessing certain areas along Route 202.

Mr. Kelso indicated that he flagged a portion of the proposed trail from the Parkway through the College to the Chalfont / New Britain Sewage Treatment Plant,. He spoke with John Schmidt and also wants to talk to the College, it was suggested that we contact Art Glass. Mrs. Goldman indicated that she would like to see the College participate more in the committee meetings.

Being no further business the meeting adjourned at 8:30am.

Respectfully submitted,

Stephanie J. Mason
