Discussion:

- **Online Orientation:** This item is tabled until the next meeting.
- **10 Year Anniversary:** In light of the upcoming 10 year anniversary of the opening of the Doylestown Dog Park, the DPAB discussed various ways to commemorate the occasion. Donna suggested putting an announcement in the next Bark Bytes, posting a colorful notice on the kiosk at the dog park, flying a banner at the dog park, and having an anniversary celebration as part of Fido Float. Andy suggested that this could include vendor booths, food trucks, a gift basket raffle, etc., while Warren suggested that a more low-key event could be done by moving the banner from the dog park to Fanny Chapman pool for the day and making an announcement during Fido Float about the 10 year milestone. Caroline will find out whether Doylestown Borough will allow food trucks and vendor booths at Fanny Chapman and email the answers in advance of our next meeting.

Parking / Entry Violations: No current violations. Deb stated that she is in favor of installing enough security cameras to give a 360 degree view of the dog park in order to eliminate any blind spots, such as the parking area, so that any violations can be monitored and dealt with according to the rules and regulations. On a motion by Deb, seconded by Andy and approved by the Board, the DPAB agreed to place the item "Additional Security Cameras" on the June Agenda.
