<p>Thoughts include: a small concrete median to prevent using the center dual turn lane to bypass northbound traffic and queue for lefts on 7-11 or Edison-Furlong, don't block the box markings (recommended by DVRPC). Left turn from Duane onto southbound 611 is also dangerous. Accident stats should be pulled.</p> <ul style="list-style-type: none"> • Mark left message with Stephanie on 11-Dec, regarding PA DOT follow-up needed. Was forwarded onto Dave. <p>3.
