-	Pebble Valley Drive	Mark /Dave	
•	ed concerns		
	er to residents discussing speed limit concerns. Use the recent letter from the elopment off of Edison-Furlong near 611.		
Lette	er to Mr. Piperino, regarding the issues.		
pictu	ef initiated a speed analysis of the streets in this area, so that we have a uniform ure of current status. Collection has been completed. Most traffic is internal.		
	ery small percentage are over the speed limits.		
colle	will be a medium term project. We should wait until all of the stats have been ected from this area, and the updates on the road classification spreadsheet are upleted, before making any decisions.		
• Add	itional discussion of all residential streets and their speed limits. Analysis of elopment/local streets to be done, using streets classification.		
at th Dav	ing February meeting discussed that a decision on how to progress should be made be April meeting. Good progress has been made on the speed data collection, and e's staff has done some of the classification analysis. be attachment: Piperino - Pebble Valley.pdf]		
3. Doylestow	n Boro Wawa - Main Street and 202 South	Mark/Matt/Dave	
	iew of traffic study ndabout is an option at the Rt. 202 southbound ramps		

Торіс	Discussion Leader
 Escrow for a potential light was requested Many additional comments were provided by Gilmore in their response Matt provided comments echoing some of our same concerns to Stephanie, which were to be forwarded to the Borough. We will monitor future developments for this site. Davis - Easton Rd. Suggestions to improve visibility of Kutz Elementary zone Recommendation that the head be moved to eliminate sun glare issues - Dave will follow up with the Chief and/or PA DOT. 	Mark/Dave
