Discussion:

- **Fido Float Review:** Kathy reported that the event was a success, attracting approximately 75 attendees. Set-up and take-down were quick and smooth. In advance of next year's event, DPAB will review the entrance rules and clarify the sign-in and waiver process for both members and non-members. The flyer will emphasize that registration prior to the event is mandatory.
- **Online Orientation:** The online orientation consists of 14 slides with text, narrative and quiz questions. Kathy emailed it to DPAB members and asked them to send their comments to her. Once it is reviewed and edited, Kathy will send it to Ed Ebenbach, Chair of the Telecommunications Advisory Board, for further preparation. Kathy will ask Ed if he is available to record Deb McComas presenting the narrative and Susie Danzis presenting the slides during the in-person orientation on November 9, 2022.

New Park Equipment: Kathy reported that the new interactive dog park equipment will probably be installed in the spring.
