HALLOWEEN SAFETY TIPS

Before ghosts and goblins head out for Halloween, review these important safety tips.

- PICK THE RIGHT SIZE** – Make sure that costumes fit properly and provide a full range of motion.
- KEEP IT BRIGHT** – Dress your kids up in bright costumes or add reflective accessories to dark getups.
- BREAK OUT THE MAKEUP** – Since masks can obstruct vision, create the same idea with face paint.
- TEST IT OUT FIRST** – Try out makeup in advance to make sure your child doesn't have a skin reaction.
- CHOOSE NON-FLAMMABLE FABRICS** – Choose costumes made of non-flammable materials.
- GET YOUR GLOW ON** – Light your kids up with glow sticks, flashlights or reflective tape.
- CHAPERONE THE TINY TRICK-OR-TREATERS** – Little kids should always have an adult with them.
- GO AS A GROUP** – Travel together, stick to predetermined route, check in by phone regularly, set curfew to return home.
- CHOOSE WISELY** – Look for well-lit locations with pumpkins on display.
- STAY ON THE STEP** – Kids should never enter a stranger's home.
- FOLLOW THE RULES OF THE ROAD** – Cross the street only at established crosswalks. If you are driving in residential areas, take it slow.
- ASK FOR HELP** – Look for police officers if you require assistance.
- CHECK IT ALL OUT** – Before you let your kids dive in, dump the entire candy bag out and inspect it all.
- BE ALERT FOR ALLERGENS** – If you've got a child with allergies or food sensitivities, read the labels before handing over the candy.

CENTRAL PARK CONSTRUCTION ALERT!

Parking at Central Park has been significantly reduced due to the park improvement construction project including the Community Recreation Center, Court complex and parking expansion/realignment. When coming into Central Park from the main Wells Road Entrance (one-way road), parking is available in the lots adjacent to the Amphitheater and near the park exit. Additional parking can be found at the New Britain Road entrance to Central Park with trail connections throughout the park and to park amenities.

HIT THE TRAILS!

Thanks to a joint effort, the Doylestown Community Bike and Hike committee has established a far reaching and comprehensive trail system that goes through Doylestown and the surrounding area. The ongoing goal of the trail system is to construct a pedestrian friendly walk/bikeway that will link residents in both the Borough and the Township and ultimately provide a safe route of travel without needing to utilize the sides of roadways.

For more information or to see a list of the parks, landmarks, shopping/dining areas, and more, all accessible via the trail system, please visit us at www.doylestownrec.org

VISIT THE LIFETRAIL

Located near the entrance to Central Park, the LifeTrail is designed specifically for adults ages 50 & up. It provides fitness equipment and posted step-by-step instructions allowing the user to go at their own pace, regardless of skill level. Conveniently located near the athletic fields and walking trail, it also gives users the option of "changing up" their fitness routine. Check it out the next time you walk in Central Park!

UNDERSTANDING FOOD LABELS

Food labels- such a confusing term for something that's required to be on all packaged food! When you turn around the bag of chips, do you know what you should be looking for? If you don't, you're not alone. Food labels can be confusing and if you add in the marketing, you might be convinced that a chocolate bar only has 5 calories, no fat, no sugar, and was picked straight from the tree in Hershey. If you think you can learn a little more about what to look for on food labels, then join a health educator from Doylestown Health to learn more.

COCONUT OIL: IS IT GOOD OR BAD FOR YOU?

The past few years, coconut oil has become the new "healthy" oil, taking over olive oils benefits. But then a shocking article from the American Heart Association came out stating that they did not endorse coconut oil. So, what's the truth? By joining this session, you will learn from a Doylestown Health educator the truth vs the myths and how to make your own informed decision.

WALKING THE DOG?

We welcome your "well-mannered" canine friends. Dogs must be leashed and under the control of the owner at all times. Off-leash activity is prohibited. Owners are responsible for cleaning up and properly disposing of waste material.

DOG THERAPY TEAM PREP

This class is designed for handlers and dog teams interested in pursuing therapy dog work. The AKC Canine Good Citizen® Program (CGC) is designed to recognize handlers with dogs that are well trained and well-behaved members of their home and community, in the presence of other dogs and distractions. A dog must naturally possess characteristics for therapy dog work and have (dog and handler) reliable training skills. This class prepares appropriate teams for CGC testing on the final week of class with an approved evaluator. *Designed for mature, social dogs with previous professional training strongly recommended.*

DOG (6 MONTHS+) TEEN LEASH & GREET

My Pack Leash Walk and dog training class combined! You will be walking with me and other handlers and social dogs in "The Pack." A Pack Walk provides excellent physical and mental exercise for your dog as well as healthy interaction with other dogs. This is an outside walking and training class. Learn new exercises to improve your dog's leash walking skills as we power walk through the park. This class is a great option for the active teenage dog! Or, if your dog is excitable around other dogs, needs exercise, constantly stops on their walks or simply enjoys walking. We will teach them to walk (and stay!) on one side of you, walk in a straight line, walk at a steady pace, and walk with their head up in the air (rather than trying to eat everything off the ground!). We will also practice appropriate meet & greet skills with new people and dogs. *For dogs that are 6 months and older and social with other dogs.*
