AWARDS & ACCREDITATIONS

MOODY'S RATINGS

Aa1 Bond Rating by Moody's

In 2024, Doylestown Township earned a Aa1 credit rating by Moody's. The Aa1 issuer rating reflects the Township's healthy reserve position, with available fund balance at 61% of revenues, that will continue to exhibit stability.

Certified Gold Sustainable Community

Since 2015, Doylestown Township has been proudly recognized as a certified Gold Community through the Sustainable Pennsylvania Community Certification Program. The certification highlights the Township's efforts in areas such as environmental stewardship, resource conservation, and community engagement, underscoring its leadership in advancing sustainability initiatives that benefit both current and future generations

Pennsylvania Police Chief's Association Accredited Law Enforcement Agency

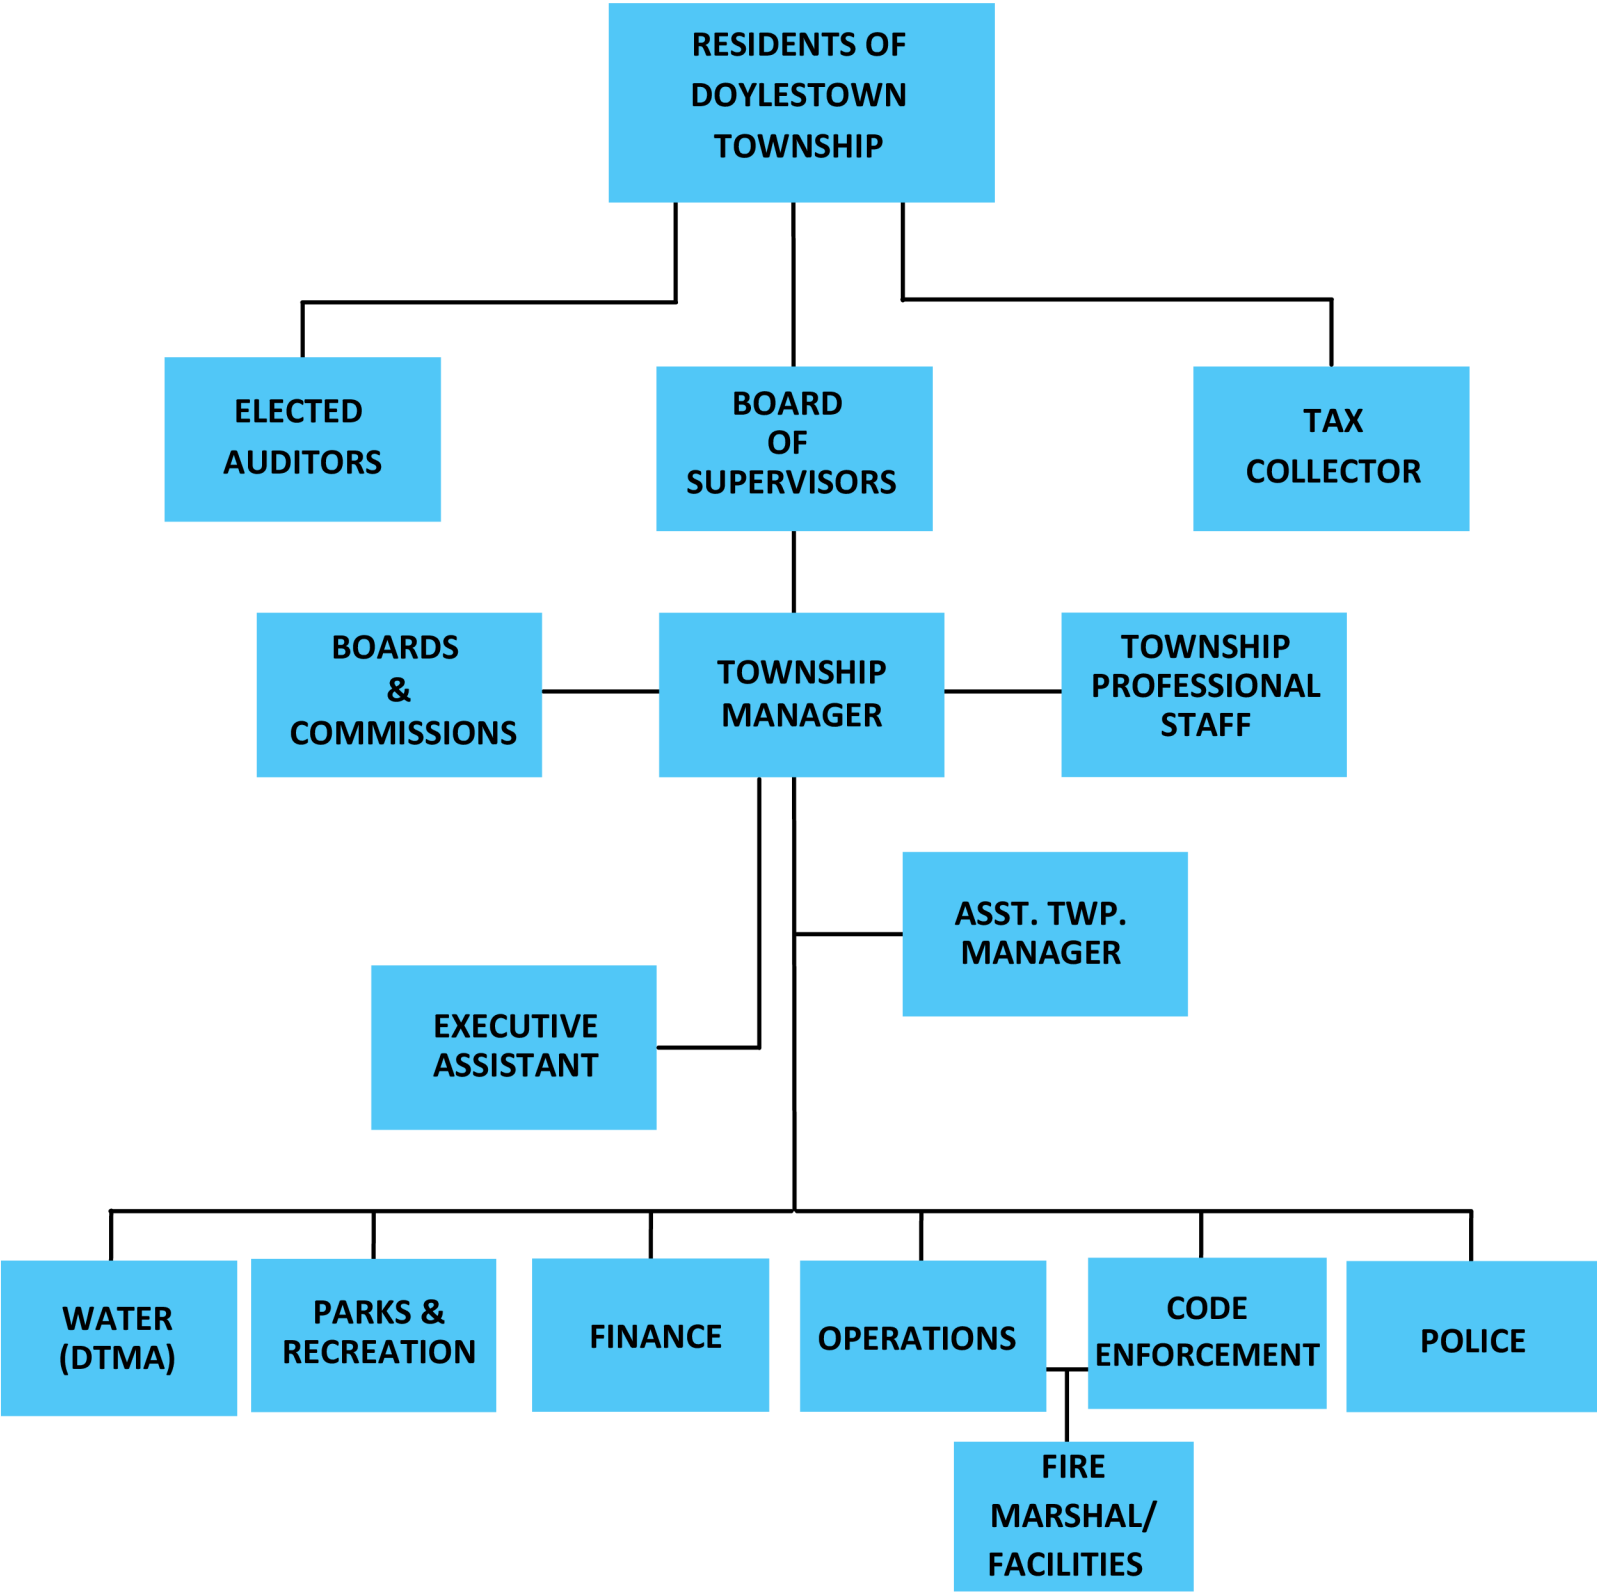

Doylestown Township became the 132nd law enforcement agency to earn accreditation by the Pennsylvania Police Chief's Association, and the fifteenth in Bucks County in 2022. Doylestown Township is one of 172 law enforcement agencies in Pennsylvania and one of 23 in Bucks County to earn this achievement. This accreditation adds authority and legitimacy to the Doylestown Township Police Department when working with other local, state, and federal law enforcement authorities

Outstanding Citizen Communication Award

The PSATS Outstanding Citizen Communication Award recognizes community engagement and communication efforts implemented by municipalities across various platforms. This marks our second win, following our first in 2019, with multiple finalist placements over the years.

BUDGET PURPOSE

The purpose of Doylestown Township’s budget is for the Board of Supervisors, the Township’s governing body, to designate the use of resources to accomplish goals and plans for the coming year. It is also the legal authorization for a Township government to allocate resources during a fiscal year for specific purposes. The budget is a financial blueprint which reflects the allocation of limited resources among competing uses and community needs. Additionally, it serves as an ongoing guide to staff about how funds are to be expended in accordance to the public’s needs.

This reader’s guide outlines the Township’s budget process, clarifies the format and content, and helps navigate this document. This document provides context and supplementary information to assist anyone in understanding Doylestown Township’s finances. This allows all parties- the Board of Supervisors, Township Staff, taxpayers, business owners, patrons, and neighbors- to be more informed. This book is designed to transmit budget and financial information of the Township in an accessible and understandable way to the public.

It is suggested to readers to review the Township’s Manager’s Budget Message as the budget messages include a high-level overview of the Township’s finances and services. This 2025 budget was formulated during a six-month period as shown below:

2025 BUDGET PROCESS

- Each month, the Board of Supervisors approves a list of payments and reviews a treasurer’s report.
- Budget vs Actuals reports are monitored by the Finance Department.
- Finance Department begins budgeting for the next fiscal year by meeting with department heads for requests in their operating and capital budget.
- Revenue and expense estimates developed by department heads.
- Board of Supervisors meets with staff in three public sessions to review the budget requests. Recommendations are decided and preliminary budget is finalized.
- Check Township’s website for Budget Work Session dates.
- After formal presentation by the staff and approval by the Board of Supervisors, the 2025 preliminary budget is available for public review.
- The 2025 balanced budget is adopted by the Board of Supervisors after it has been available for public review for at least 20 days.

A MESSAGE FROM THE TOWNSHIP MANAGER

November 19, 2024

The 2025 Doylestown Township Budget is here by respectfully submitted to the Board of Supervisors and the citizens of Doylestown Township. This proposed budget aims to provide the exceptional services and programs that have become the foundation of Doylestown Township, meeting the expectations of our residents and businesses.

Doylestown Township will begin 2025 from a position of financial strength, though two concerns have been recurrent in our budget discussions over the past year. Operations consistently experience expenditure growth that puts stress on the revenue, and also, our capital reserve account, a fund that all capital projects are paid from, lacks a dedicated funding source as our capital projects continue to exceed the revenue in the future years.

Faced with increasing costs for public safety, pensions, and basic maintenance as well as new costs for the new services and operations in our Community Recreation Center, this budget includes a 3.695 mill increase in real estate taxes for 2025. This tax increase is comprised of a 1.025 mill increase in the General Fund, .750 mill increase in Parks and Receptions, 1.420 mill increase in Debt Service, and .500 mill increase in Roads and Bridges. This increase is crucial to ensure the Township continues to provide all of those expected services.

I feel confident that the 2025 budget is a testament to the Township's commitment to investing in infrastructure, public safety, trails, and the parks system. Improvements to our roadways, storm water, trails, and parks takes a tremendous amount of planning. I look forward to seeing those investments come to fruition.

Sincerely,

Stephanie Mason
Township Manager

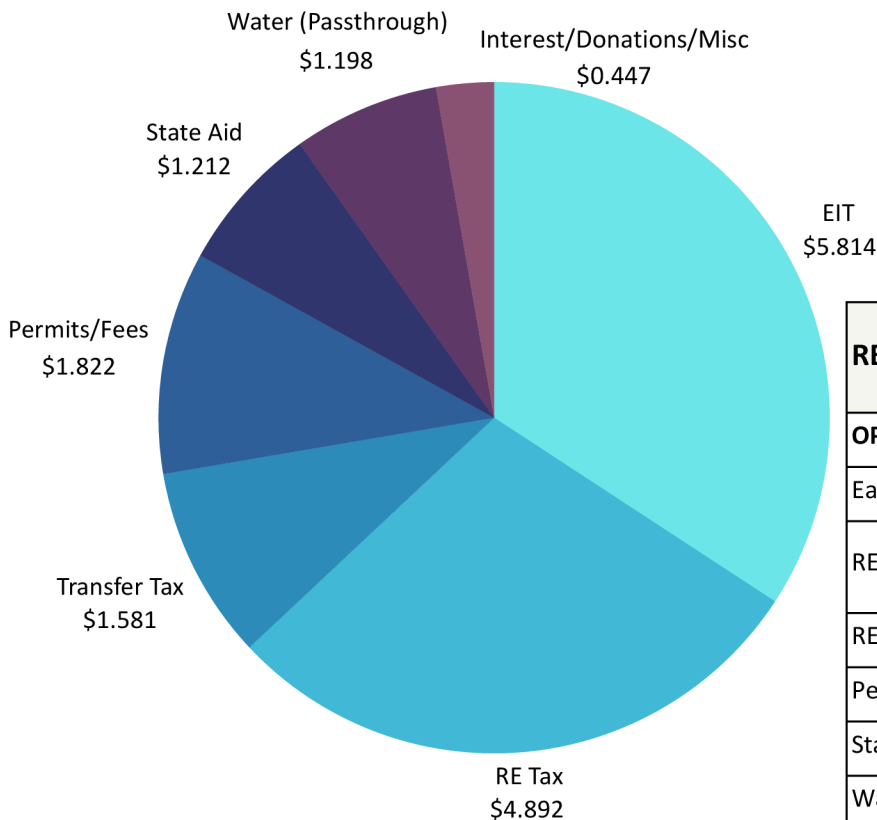

Budget Overview

The overall 2025 budget includes \$17.0M in revenues, \$16.8M in operational expenditures, \$4.9M in capital expenditures and \$3.5M in capital revenue.

This tax increase in the General Fund will facilitate the maintenance and improvement of public safety service to include the hiring of two new police officers that occurred in 2024. As well as pay for the pensions at a 6% discount rate recommended by the Pension Advisory Committee. The tax increase in Parks and Recreation will help pay for the growing services and amenities the Township provides. The tax increase in Debt Service will pay for the new 2024 Bond Borrowing for the Community Recreation Center & Parks Improvements. The tax increase in the Roads and Bridges will fund the continued maintenance in infrastructure (roads, bridges, trails, & stream crossings).

Revenue

The Earned Income Tax is the largest source of revenue in the General Fund at \$5.8M followed by Real Estate Taxes at \$4.9M, which excludes the millage in the Roads & Bridges Fund as this is included in the Capital Revenue. Other major tax categories include Real Estate Transfer Tax, Local Service Tax, Interest, Permits/Fees, and State Aid. Revenue in 2024, is projected at \$16.3M and in 2025, revenue is budgeted to reach \$17M. This increase is largely due to the increase in real estate taxes.

REVENUE	2024 Forecast	2025 Budget

Interest/Donations/Misc:	\$887.8	\$472.6
OPERATIONS TOTAL:	\$16,309.1	\$16,993.7

Expenditures

As stated above, 2025 expenditures are expected to equal \$16.8M, a 12.3% increase from 2024.

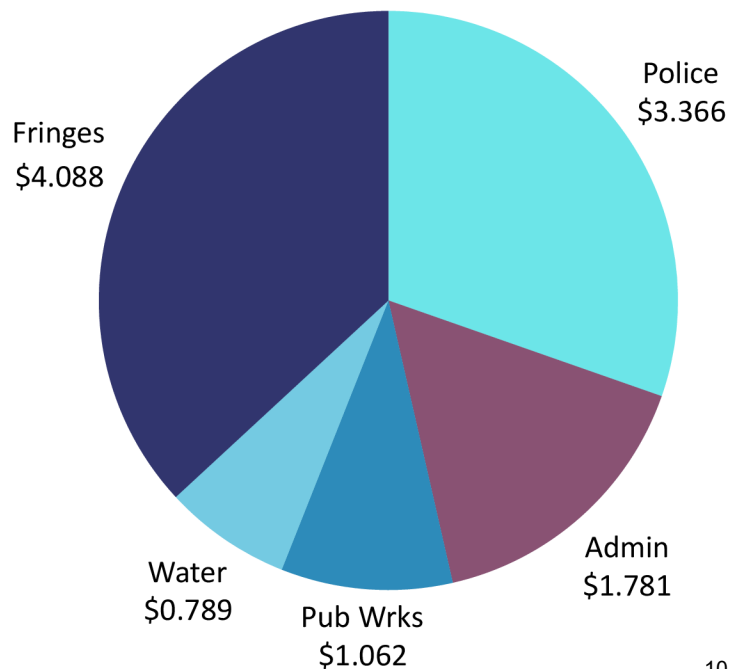

Below is a break down of expenditures broken out by departments. Police includes police operations, salaries & fringes totaling \$3.8M in expenditures. Administration is the largest expenditure of \$4.0M which includes all operations; engineering, solicitor fees, operations, pensions, salaries & fringes of administrative staff, code, and park and recreation. Water includes the salaries and fringes of water operators and a split of administration staff that contribute to day to day operations. Public Works includes day to day operations of parks and roads maintenance, supplies, and employee salaries & fringes.

2024 Wages/Fringes

This chart signifies ongoing expenses related to salaries, benefits, and fringes for Township personnel.

It is a major driving force within our total expenses, comprising more than 66.2% of total expenditures.

Capital

The 2025 Budget includes \$4.9M in capital spending with \$ 3.6M in capital revenue.

The 2025 Capital plan includes **25 capital projects** to include but not limited to New Britain Road Trail, Easton Road Trail, Road Program, Green Light Go Improvements, and much more. The capital revenue includes real estate taxes from roads & bridges (\$1.3M), DCED (Department of Community & Economic Development) grant for New Britain Road Trail (\$686K), Green Light Go grants (\$848K), possible DCED grant for police radios (\$235K).

*Please note, the Community Recreation Center & Parks Improvements is not included as it was fully funded by bonds, grants, & donations that occurred in 2023, 2024, and 2025.

The Capital Plan is divided into 5 priorities:

- Safety
- Maintenance
- Trails
- Replacement
- Beneficial

In 2024, the General Fund is projected to end with a surplus of \$1.3M that will fund 2025 capital along with the capital revenue. Below is a chart that signifies capital spending and what category it fits into. Please see the Capital Worksheet and 2025 Projects for more information on specific projects.

Fund Balance

Fund Balance is used to describe the net position of governmental funds and serves as a measure of the financial resources available in that given governmental fund. It is essential that the Township maintains adequate levels of fund balance to mitigate current and future risks (revenue shortfalls and unanticipated expenditures) and to ensure stable tax rates.

Across all funds, Doylestown Township is beginning 2025 with more than \$10.0M in projected fund balance. Some of this money is earmarked for specific purposes or has restrictions on it, as indicated by which fund in which it resides.

Some funds are allowed to accumulate a fund balance over time to allow for it to be spent in a singular, larger effort, or as the demand rises.

The table below shows the beginning and ending balance of each fund in 2025 and the dollar change. Additional information as to budgeted impacts to the fund balance are detailed ahead of each fund's budget later in this document.

UNDERSTANDING WHERE YOUR PROPERTY TAXES GO

Central Bucks
School District (74.2%)

Bucks
County (15.5%)

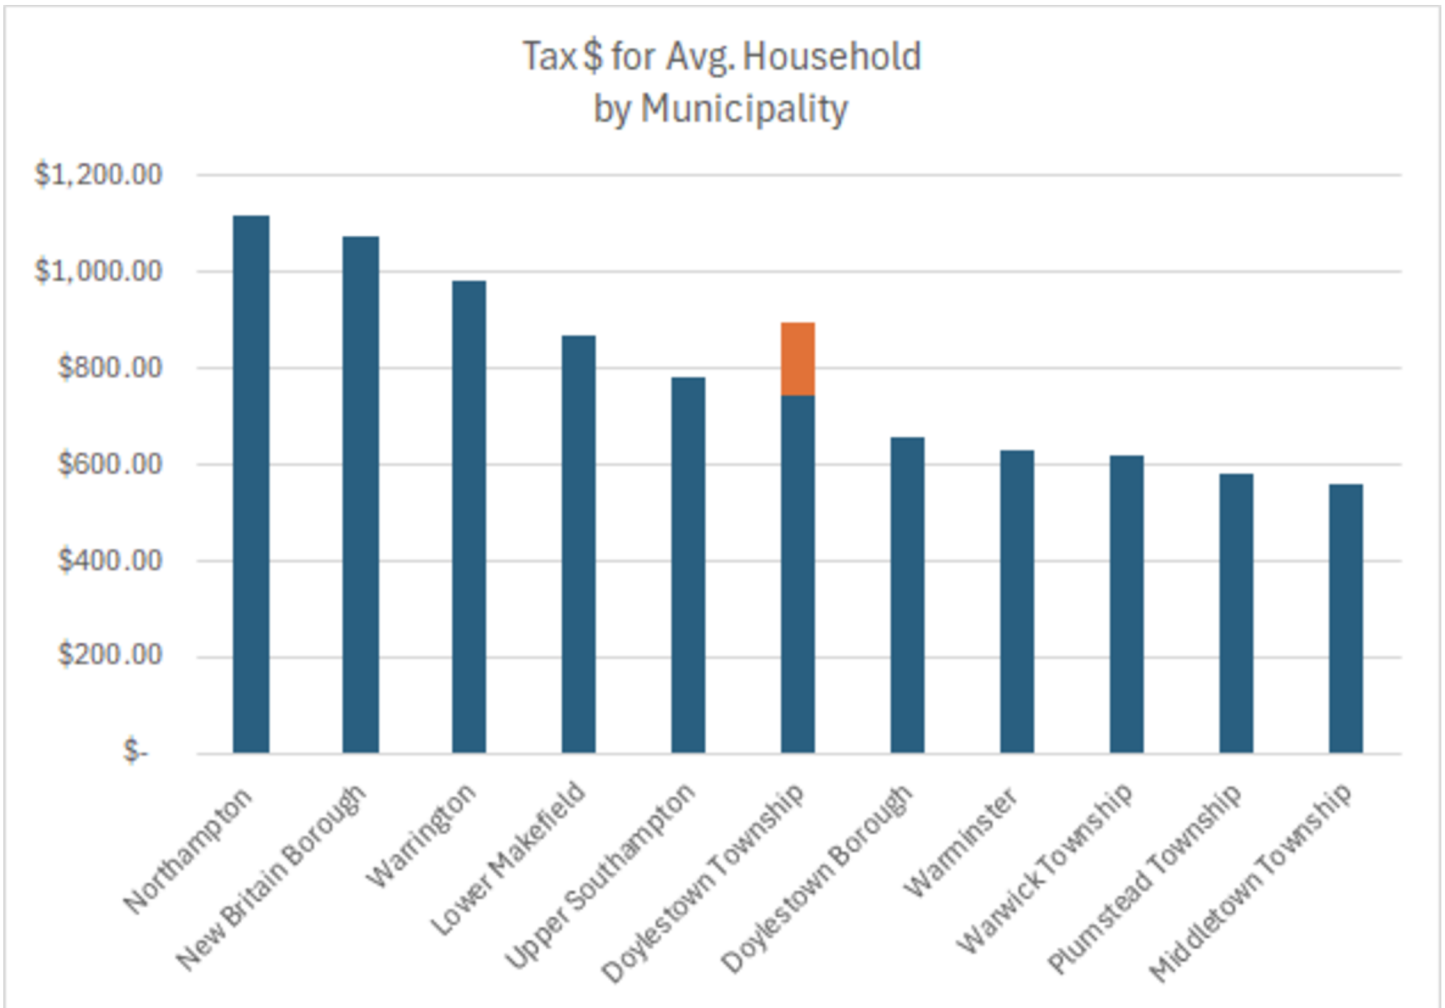

Doylestown
Township (10.3%)

Doylestown Township residents pay Real Estate Taxes to three different local government authorities: Doylestown Township, Central Bucks School District, and Bucks County. Real estate taxes are calculated through millage. One mil equals 0.1% of the assessed value of a property.

Of the Township's three taxing authorities, Doylestown Township collects the least from what the residents pay. Residents of Doylestown Township only pay 10.3% of their property taxes to the Township. The remaining 89.7% is split between Bucks County (15.5%) and Central Bucks School District (74.2%). The Central Bucks School District currently levies 131.36 mills and Bucks County levies 27.45 mills. These numbers are as of January 2nd, 2024 and subject to change.

MUNICIPALITY COMPARISON

2024 Municipal Real Estate Tax Comparison

The chart above is a comparison of local municipalities surrounding Doylestown Township or municipalities that offer similar services and what their average homeowner pays in property taxes. The blue bar indicates the 2024 average homeowner property taxes and the orange on Doylestown Township indicates the new average in 2025 with the millage increase.

The average homeowner in Doylestown Township currently (2024) pays \$745 in real estate taxes. The 3.695 mill increase equates to an additional \$152 for a total of \$897 in 2025.

Please note: At this time, other local municipalities are in the budget process and have not established their 2025 tax increase.

This chart illustrates previous years tax plan and the current year tax plan. As stated above in the Budget Overview, the 2025 budget includes a 3.695mill increase. When deciding when a tax increase is necessary, the Township examines the fund balance to ensure the fund has adequate funding to fund upcoming or current projects. This entails an examination of how much 1 mill is “worth”. Currently as of February 2024, 1 mill for Doylestown Township produces \$278,968 in revenue.

Available Revenue	Net
1 Mill Equals	\$278,968
3/4 Mill Equals	\$209,226
1/2 Mill Equals	\$139,484
1/4 Mill Equals	\$69,742

2024 ACCOMPLISHMENTS

Chief A. Dean Logan Retirement

On September 19, 2024, at the Board of Supervisors meeting, we honored Chief Dean Logan upon his retirement, recognizing his 37 years of distinguished service. Chief Logan joined the Doylestown Township Police in 1987 and rose through the ranks to become Chief of Police in 2012. We are grateful for his dedication and unwavering commitment to our community and the department.

Swearing in of Chief Zeigler

On October 15, 2024, at the Board of Supervisors meeting, Chief Zeigler was sworn in as the new Chief of Police for Doylestown Township. With over 21 years of dedicated service, he brings extensive experience and a strong commitment to building trust and fostering positive relationships within the community.

Fundraising Efforts

Community Recreation Center / Park Improvement Project

Our Capital Campaign experienced a successful summer of fundraising, as the township continues to work toward its goal of creating a space for community connection and growth. Following the initial success of the spring fundraising efforts, the summer focus shifted to the bathroom project—an essential part of the overall development of the recreation center.

Shady Retreat Road - Safe Route to School

The Shady Retreat Trail was completed in 2024. This 1.1-mile shared-use path runs along Burpee Road, North Shady Retreat Road, and Limekiln Road.

Central Park Streambank Restoration Project

As part of our MS4 (Municipal Separate Storm Sewer System) program, we have successfully completed the Central Park Streambank Restoration Project aimed at reducing sediment in our local watersheds, and fulfilling our reporting process of our permit obligations for the 2019-2024 permit.

2024 Road Program

Doylestown Township renews its road program every five years. In 2018, an engineering study assessed the condition of each township-maintained road, which helped determine the roads selected for the 2024 road program.

All road work for the 2024 program has been completed.

Single Use Plastic Ordinance

On May 21st, 2024 at the Board of Supervisors meeting, the Board adopted the Single-Use Plastics Bag Ordinance as a step toward reducing the environmental impact of plastic waste in our community.

Trail Maintenance

Trail maintenance has been a priority reinforcing our commitment to the upkeep and enhancement of our community's bike and hike trails. The Township's Parks Department has focused on ensuring these pathways remain safe, accessible, and well-maintained through dedicated regular maintenance, resurfacing, and repairs as necessary.

PLANNED PROJECTS FOR 2025

Ready for 100

Ready for 100 is a grassroots initiative, backed by the Sierra Club, that encourages municipalities and citizens to commit to 100% renewable energy by 2050. Active in Southeast Pennsylvania, it has two key goals: 100% renewable electricity by 2035 and full renewable energy for all uses by 2050. On March 17, 2020, Doylestown Township became the first municipality in Bucks County to make this commitment. Since then, Buckingham, Solebury, Warrington, and Bucks County have also committed, with other communities in Bucks considering similar resolutions.

Purchase of Hybrid and Electric Vehicles

The Township plans to kick off its transition in 2025 by purchasing a Mach-E electric vehicle for administrative use and two hybrid vehicles for the police.

Community Recreation Center / Park Improvement Project

The Community Recreation and Park Improvement Project continues into 2025 with significant progress in construction and enhancements. With work moving forward, this project remains a key focus, aiming to provide new recreational amenities, modernized facilities, and expanded community spaces. As construction advances, residents can look forward to new features designed for accessibility, safety, and enjoyment. This ongoing effort highlights our commitment to creating a vibrant, inclusive recreational hub that will serve the community for years to come. In late 2024, Doylestown Township received an additional \$500K RCAP (Redevelopment Assistance Capital Program) grant to assist in funding the Community Recreation Center construction.

New Britain Road Trail Construction

Doylestown Township is designing and constructing a trail along New Britain Road, connecting Central Park to Warden Road near Rolling Hill Blvd. The Township received a \$686,000 DCED grant for this project in 2021, requiring a \$76,000 match from the Township. Preliminary design began in 2022, costing \$30,000. In 2024, the final design, bid package preparation, and bid assistance will be completed for \$74,073, with the bidding process handled through PennBid. Construction is scheduled to start in 2025, with an estimated cost of \$686,000. An additional \$5,000 is allocated for construction inspection by Township staff and Engineering firm Michael Baker International, with potential grant coverage if funds remain available.

Easton Road Trail

This project involves designing and constructing a bike and pedestrian trail along Easton Road, from New Britain Road to the Route 202 Bypass on-ramp. The Township has secured two TASA (Transportation Alternatives Set-Aside) grants totaling \$2.2 million (\$1.5 million and \$700,000). Design work is scheduled for 2024 - 2026, followed by construction in 2026–2027. The Township will contribute a \$300,000 match for engineering, bid preparation, and assistance in 2024–2026. The TASA grants will fund construction and inspection costs, estimated at \$2.2 million (including escalation), for 2026–2027.

PLANNED PROJECTS FOR 2025

Green Light Go Grants- Traffic Signal Upgrades

- **Rt. 611 & Edison-Furlong**

The intersection of Easton Road (SR 0611) and Edison-Furlong Road (SR 2079) would be upgraded to include the latest controller assembly, dilemma zone detection, video detection, uninterruptable power supply (battery back-up system), latching LED pedestrian push buttons, dedicated hand/man pedestrian signal indications with countdown timers, signal timing/phasing optimization, and replacement of the existing traffic signal supports and wiring. Modernization of the traffic signal is needed to replace old equipment.

- **Rt. 313, Swamp Road Corridor**

Upgrade the traffic signal equipment and operation of five existing traffic signals along the Route 313 Swamp Rd corridor. Shared with 3 other municipalities (Doylestown Boro., Plumstead Twp & Buckingham Twp.)

- **Flashing Yellow Arrow Improvements**

Engineering for this project will begin in 2025 and will upgrade nine traffic signals within Doylestown Township. This safety upgrade will install a flashing yellow arrow and updated clearance timings.

- **Detection Improvements**

Engineering for this project will begin in 2025 and will improve two traffic signals by installing dilemma zone detection and video detection to replace the existing loop detectors.

Police Radios & Radio Repeater

In 2024, the Doylestown Township Police Department applied for a DCED Grant in the amount of \$235,000 to replace 30 existing radios for patrol officers, vehicles, and detectives and are awaiting confirmation if we received that grant. Additionally, in 2025, a new installation of a emergency radio repeater so ensure proper radio communications throughout the Township.

Continued MS4

MS4 is a required mandate from the DEP (Department of Environmental Protection) as part of the Pollution Reduction Plan, Doylestown Township will be inspecting and surveying 3 basins: Doylestown Knoll, Doylestown Hunt, Doylestown Lea Basin to ensure they are functioning properly. Once the filtration testing is completed, an analysis will be completed if further construction is needed.

Sheridan Basin

During the annual basin inspection program, it was determined that Sheridan Basin does not function properly and required mediation. Surveying and engineering were completed in 2024 and in 2025, the contract documents and bidding, construction, and final inspection will begin and the project will finish in 2025.

Longer Range Projections – 2026-2029

As already described, the budget process starts with each Department Head developing detailed forecasts for the Current year and for the new Budget year, which is thoroughly evaluated and vetted by Department Heads, the Township Manager, and the Board of Supervisors and the Finance Committee in three public Budget Workshop sessions. In the next step of the process the Finance department develops a projection of future spending and revenue at a partially summarized level for two - four more years using clearly delineated assumptions about growth rates, and by adjusting the projections to account for any particular items about which we are able to make reasonable assumptions. The purpose of this exercise is to evaluate the effect of current or short-term financial actions and policies on a longer-term horizon, and thus to give an early indication of possible future challenges or benefits.

The results of the longer-range projections include the following:

1. As indicated earlier, there are insufficient reserves or revenue sources to support requests for self-funded future Capital spending beyond 2025. See the capital spreadsheet below to see the detailed Capital requests for future years. So, it is the Township's intention to develop a new Capital spending and funding plan for consideration during the 2026 Budget planning cycle. As a result, the balance of this discussion will focus on operational revenue and spending.
2. Operational Expenses – 67% from Wages and Fringes spending
 - Staffing levels are held flat at 2025 levels except for a 1 – 1.5 Part Time growth in the new Community Recreation Center to accompany the projected Revenue growth by that center over the next 5 years. Annual increases are projected to be at 4.5% for the Uniformed staff (per their current Contract) and at 3.5% for the Non-Uniformed staff.
 - Fringes spending is mainly on Pensions and Medical Insurance. Starting in 2025, Pension payments will be set at the desired goal of 6% discount rate and continue at that level for the future, with annual growth projections of 3%. Medical Insurance has been projected to grow at an annual rate of 2.5%.
 - Debt Service stabilizes at just under 10% of operational spending during the later years as the borrowing for the Community Rec Center and other earlier projects is completed, and no new borrowings are planned.
 - The remaining biggest pieces of operational spending include Engineering, Support for our Volunteer Fire Companies, Parks Maintenance, and Insurance. Currently, the Doylestown Fire Company is undergoing a statewide study to determine future operational needs and costs.
 - Overall Expense growth over the 2025 – 2029 period is projected to be about 11%.
3. Operational Revenue - 80% projected to come from traditional sources such as Taxes (Earned Income, Real Estate, Real Estate Transfer, Local Services) and Fees.
 - During that period, we expect that Real Estate Tax rates will increase in 2026 by 1.55 mills and provide coverage for the growth in expenses described above.
 - Growth rate assumptions for all of the other major revenue streams are modest/conservative (EIT 2%, others flat).
 - Overall Revenue growth over the 2025 – 2029 period is projected to be about 8%.

4. Fund Balances – the projections resulting from the above Expense and Revenue projections leave the Township with healthy balances in all Funds. This result is obtained even though Expense growth outstrips Revenue growth by about 3%, meaning that some use of Reserves is anticipated. The General Fund 2027 ending balance is projected to be \$3.6m or 20.5 % of the 2027 Operational spending, meeting our target of 15% in the third year, and \$2.5m/13.1% meeting our target of 10% in the fifth year. See below for a tabulation and charts of these results.
