

Thompson Performing Arts Series

Performer Application

About the Series

The Thompson Performing Arts Series is presented by Doylestown Township and held at Central Park in Doylestown, Pennsylvania. The series offers a diverse lineup of musical, theatrical, and other performing arts, with the goal of providing the Doylestown and regional community with high-quality, family-friendly entertainment at no cost to attendees.

Over the years, the series has featured local, regional, national, and international performers representing a wide variety of cultural and artistic styles. The continued support of our sponsors and performers allows us to provide this much-loved summer tradition to the community.

Performer Applications

Due to the high volume of performer inquiries, all interested performers are asked to submit a Performer Application. All applications will be reviewed and considered based on the criteria below.

If selected, performers will be required to complete a Performer Agreement and W-9.

Please note: Sound equipment, lighting, and sound technicians are not provided by Doylestown Township and must be supplied by the performer/group.

All applicants will receive a response once bookings are complete. Applications that are not selected may be retained for consideration for future opportunities.

Selection Criteria

Applications, support materials, and available video/audio will be reviewed based on the following:

- **Performance quality and appropriateness** – Family-friendly content and a performance appropriate for a broad community audience.
- **Quality of support materials** – Video, audio, website, or other materials that demonstrate the quality and style of the performance.
- **Performance length** – Ability to provide up to a 2-hour performance, with a minimum performance time of 90 minutes, excluding breaks.
- **Performance Capabilities**– Ability to provide necessary sound equipment, instruments, supplemental lighting, props, and other production needs.
- **Weather flexibility** – Ability and willingness to reschedule in the event of inclement weather. Booking fee – Reasonable booking fee that aligns with the Township's available budget.

Please note: Submission of an application does not guarantee acceptance.
