Staff Reports.

- Fido Float: Fido Float is this weekend at Fanny Chapman Memorial Pool. A big thank you to Kathy for volunteering and helping make this event possible! The weather is looking good, so we're looking forward to a great event.
- Concert season is done! Thank you Jim for volunteering at the Concerts!

- Fall Food Truck Festival: Our Fall Food Truck Festival is coming up on Sunday, September 20, from 1:00–5:00 PM at Central Park. We currently have 19 food trucks confirmed and are looking forward to a great afternoon.

- Golf Outing: Our annual golf outing is Monday, October 5. We are still looking for golfers, so if you haven't registered your foursome yet, please do so. We'd love to fill the course!

- MyRec Registration: We now have a desktop icon that links directly to our MyRec registration page, which works very similarly to an app. On your phone, go to doylestownpa.myrec.com and follow the instructions on the pop-up at the bottom of the screen to add it to your home screen.

- Staff Update: Giulia, one of our CRC Recreation Attendants, is currently in Africa serving with the Peace Corps. We're excited to have Maggie joining us tomorrow for her first day with Parks & Recreation.

- Winter/Spring Programming: We are currently finishing up our Winter/Spring 2027 programming. Summer was a success overall — we only had one week of camp that did meet the minimum enrollment. We have several no-school-day camp programs coming up throughout this school year that we're confident will meet enrollment, which should help us add another couple of weeks of camp next summer.

- Program Spotlight – Girls' Flag Football: We're trying something new and are currently enrolling for Girls' Flag Football for ages 6–14. The program will be held Thursday evenings at Turk Park, at the old football field attached to the T-ball field. We're excited to try something new and see how the program grows.

Visitor Comment. None.

***Adjournment:** Being no further business the meeting was adjourned at 6:25pm on a motion by Joe Salvati with a second by Jim Plummer. All in Favor, motion passed unanimously 4-0.

Respectfully submitted by:
Jim Plummer
