

**SEAT OF HONOR
STEP # 2**

**HONORING
A PERSON OR BUSINESS
WITH A BENCH
DEDICATED TO THEM**

The Bike & Hike Committee would like to install benches along the Bike Hike path so that people using the trail can rest and enjoy the beauty of Bucks County. The benches will be steel, set in concrete, with a dedication plaque inset.

Donors can choose among a selection of locations. The cost of the complete installation is \$2,500.

To set up an appointment to design a custom plaque unique to your requirements and to select a bench location, contact Valerie Mylowe (215 -348-9283) or at vmylowe@comcast.net or Corinne Cody at Corinne@theCodyGroup.com, members of the Doylestown Bike Hike Committee. After decisions are in place, donation checks should be made out to Doylestown Township or Doylestown Borough.
