

# SEAT OF HONOR

The Bike & Hike Committee is committed to increasing the amount of benches along the Bike Hike path so that people using the trail can rest and enjoy the beauty of Bucks County.

The benches will be steel, set in concrete, with a dedication plaque inset. Donors can choose among a selection of locations.

The cost of the complete installation is \$2,500.

To set up an appointment to design a custom plaque unique to your requirements and to select a bench location, contact Doylestown Township at 215-348-9915 or by email at [info@doylestownpa.org](mailto:info@doylestownpa.org).
