Destination Peace Valley

- The last meeting focused on maintenance of the trail. It was stated that each municipality would take care of its own section, after its roads had been cleared or plowed.
- Each municipality will formally adopt the plan at a public meeting.
- The goal this year will be obtaining the necessary rights-of-way. Next year the Committee will submit grant applications for construction.

Destination Part III

- Tom Kelso presented an overhead map showing a possible route for a trail from the 202 Parkway to Upper State Rd. and the New Britain train station.
- Delaware Valley College land is included in this trail.
- Stephanie Mason will write a letter to Art Glass requesting that he attend the Bike/Hike meeting on May 10 and host that meeting at Delaware Valley College.

Colonial Green to Doyle School

- Dick Patterson suggested we look at establishing a trail from Colonial Green to Doyle School. At present students cannot walk to school because there is no safe route.
- The neighbors will be invited to a June meeting. Tom Kelso will develop an aerial map.

Community Art

- Dick Patterson wrote an article for the Doylestown Borough Newsletter about the history of the Bike/Hike trail and the sale of Memorial Benches.

Pebble Hill Road

- The Committee is waiting for a second appraisal on two properties.

Cycling Education and Safety

- Karen Sweeney, Bruce Hochman, Amy Mazzanti, and Lynn Goldman met to plan a Bicycling Fun Day at Central Park on June 18.
- Activities will be replicable, and teachers are invited to incorporate these into their own schools each year.
- Judy Hendrixson's Girl Scout troop will help with this project.
- A request was made for 25 helmets.

Meeting was adjourned at 9:10 am.

Respectfully submitted,
